

# FULL ENGLISH PROGRAM BACHELOR GRAPHIC DESIGN

Registration are open!

To anchor their practice in an international context, Bachelor's students can follow their 3rd year of the Graphic Design program in English. They are introduced to new techniques and tools enabling them to carry out their first application projects in publishing, visual identity, packaging, advertising and digital.

**B1****B2****B3****M1****M2**

**L** Bachelor 3 Graphic Design allows students to take advantage of the various facilities set up by ECV. Students have the opportunity to do a 6-month internship abroad. It allows ECV Paris to receive exchange and international students for a semester or the whole year. The students have the possibility to do a 6-month internship abroad

Available on the Paris campus!
